

Pure Mini Electric Car 2 Seater Modern Compact New Energy Vehicles

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chetianxia
- Model Number: wuling mini
- Minimum Order Quantity: 1
- Price: \$4,700.00/pieces 1-1 pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100 Piece/Pieces per Month

Product Specification

- Product Name: Electric Car
- Color: Optional
- Energy Type: Pure Electric/100% Electric Car
- Body Structure: 3-door-2-seater
- Charging Time: 4.5 Hour
- Battery Type: Lithium Iron Phosphate Battery
- Level: Mini Car
- Length * Width * Height: 2497x1526x1616mm
- Port: Shenzhen
- Highlight: pure mini electric car 2 seater, mini electric car 2 seater modern, electric car 2 seater compact

Product Description

Chinese Mini Wuling Nano Air EV Electric Car New Energy Vehicles Pure

The Wuling Nano Air EV Electric Car is a revolutionary vehicle that combines eco-friendliness, convenience, and style. Designed with the latest advancements in electric vehicle technology, this compact car offers an efficient and sustainable mode of transportation for urban dwellers.

With its sleek and modern design, the Wuling Nano Air EV Electric Car stands out from the crowd. Its compact size allows for easy maneuverability through crowded city streets, making it the perfect choice for daily commuting or running errands. The car's exterior features smooth lines and aerodynamic curves, ensuring both aesthetics and functionality.

Equipped with an electric motor, the Wuling Nano Air EV Electric Car delivers a quiet and emission-free driving experience, minimizing its ecological impact. The electric motor provides instant torque, allowing for quick acceleration and responsive handling on the road. This car also boasts a long-lasting battery that can be easily charged at home or at public charging stations, giving you the freedom to embark on longer journeys without worrying about range anxiety.

The Wuling Nano Air EV Electric Car comes equipped with cutting-edge technology features. An intuitive touchscreen infotainment system allows for seamless connectivity with your smartphone, providing access to navigation, music, and hands-free calling. The car also includes smart features like keyless entry and push-button start, making your daily routines more convenient.
