

Stylish pure Mini EV Cars Wuling Hongguang safety 4 seater small car

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wuling
- Model Number: Hongguang
- Minimum Order Quantity: 1
- Price: \$4,700.00/pieces 1-1 pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100Piece/Pieces per Month

Product Specification

- Steering: Left
- Emission Standard: Euro III
- Engine Capacity: < 4L
- Year: 2022
- Month: 2
- Mileage: 25001-50000 Miles
- Make: Wuling
- Type: Mini Car
- Fuel: Electric
- Engine Type: Naturally Aspirated
- Cylinders: 3
- Maximum Power(Ps): 100-150Ps
- Gear Box: Automatic
- Forward Shift Number: 4
- Maximum Torque(Nm): ≤100Nm

Product Description

China Pure Hongguang Wuling EV Mini Electric Car New Energy Vehicles

The Hongguang Wuling EV Mini Electric Car is a compact and eco-friendly vehicle designed to provide efficient and convenient transportation. This electric car combines modern technology with a sleek and stylish design, making it a perfect choice for those looking for a sustainable mode of transportation.

the Hongguang Wuling EV Mini Electric Car is ideal for navigating through crowded city streets and tight parking spaces. Its small footprint allows for easy maneuverability and ensures that you can effortlessly glide through traffic, saving both time and energy.

Safety is a top priority in the design of the Hongguang Wuling EV Mini Electric Car. It features advanced safety features such as ABS brakes, airbags, and a sturdy frame, ensuring the protection of both the driver and passengers. Additionally, this electric car also offers modern conveniences like power windows, a multimedia infotainment system, and comfortable seating.

Motor total power (kWh)	30.7	44.9
Battery Type	Lithium iron phosphate battery	Lithium iron phosphate battery
Front tire specification	195/60 R16	195/60 R16
Rear tire specification	195/60 R16	195/60 R16

In terms of suspension, a combination of front MacPherson independent suspension and rear multi link independent suspension is adopted. Based on our previous test drive of the Chang an UNI-V Intelligent Electric iDD, we adopted a sporty tuning style, bringing solid and agile driving performance. At the same time, the chassis is equipped with power batteries and necessary battery brackets in the middle, so the entire chassis brings a stable and compact driving feel.

In terms of interior design, it can be seen that the entire interior adopts sharp angular design elements, with a prominent center console design. Details such as the cockpit style gear lever area, three spoke steering wheel, and through air vents enhance the overall texture. At the same time, the entire center console is tilted towards the driver's side, which not only enhances convenience but also brings a good visual aesthetic.

In terms of power, it is equipped with a Blue Whale 1.5T hybrid dedicated turbocharged engine, with a maximum horsepower of 170Ps and a maximum torque of 260N · m. With the assistance of an electric motor, the system's com

prehensive maximum torque reaches 590N • m. It is matched with a 6-speed three clutch electric drive transmission, which takes only 6.5 seconds to break 0-100km/h.

Brand new car with 0 KM mileage, please contact us for more details

NEW ENERGY VEHICLE CHARGING
