

Versatile Mini EV Cars fast charging full electric car sustainable

Our Product Introduction

for more products please visit us on evcar.cn

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Changan
- Model Number: E-Star
- Minimum Order Quantity: 1
- Price: \$325.00 - \$4,853.00/pieces
- Delivery Time: 15
- Supply Ability: 1000 Piece/Pieces per Year

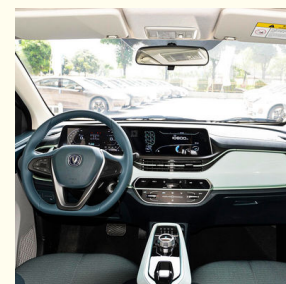

Product Specification

- Product Name: 4 Wheel Electric Car
- Body Structure: 5-door 5-seater Hatchback
- Length * Width * Height: 3770x1650x1570
- Color: Optional
- Max Speed: 101km/h
- Charging Time: Fast Charging 0.55 Hours
- WHEELBASE: 2410mm
- Range: 310KM
- Port: Shenzhen
- Highlight: versatile mini ev cars,
mini ev cars fast charging,
full electric car sustainable

Product Description

China Changan Benben E-Star EV Electric Car Mini New Energy Vehicles

100% electric vehicle: The Changan Benben E-star is an all-electric vehicle, which means it produces zero emissions and helps to reduce pollution and dependence on fossil fuels.

Eco-friendly and sustainable: By being fully electric, the Benben E-star contributes to a cleaner environment and promotes sustainability by using renewable energy sources.

Efficient and cost-effective: With its electric motor, the Benben E-star offers a more efficient and economical driving experience. It requires less maintenance compared to traditional combustion engines, resulting in cost savings for the owner.

Long-lasting battery life: Equipped with advanced battery technology, the Benben E-star offers a long-lasting battery life, allowing for extended driving ranges and reducing concerns about running out of power.

Compact and versatile design: The Benben E-star features a compact and versatile design that makes it suitable for urban environments. Its small size allows for easy maneuverability and parking in tight spaces.
