

## Powered Auto Mini EV Cars Compact Energy Efficient Wuling Bingo

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wuling
- Model Number: Bingo
- Minimum Order Quantity: 1
- Price: \$635.00 - \$6,350.00/pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100 Piece/Pieces per Month

### Product Specification

- Product Name: Electric Car
- Color: Optional
- Max Speed: 100km/h
- Body Structure: 5-door 4-seat
- Battery Type: Lithium Iron Phosphate Battery
- Charging Time: 5.5 Hours Slow Charge
- Length \* Width \* Height: 3950x1708x1580mm
- Level: Minicar
- Port: Shenzhen
- Highlight: powered mini ev cars ,  
mini ev cars energy efficient ,  
auto mini cars compact

## Product Description

### China Auto Wuling Pure Bingo Mini EV Electric Car New Energy Vehicles

The Wuling Bingo Mini EV Electric Car is a compact and efficient electric vehicle that offers an eco-friendly and convenient driving experience. With its sleek design and compact size, this car is perfect for urban commuting and navigating tight city streets.

Powered by an advanced electric motor, the Wuling Bingo Mini EV boasts impressive acceleration and a smooth ride. Its compact size allows for easy maneuverability, making parking in crowded areas a breeze. This electric car is also equipped with a durable battery that provides a considerable driving range, ensuring you can go about your day without worrying about recharging frequently.

Safety features are not compromised in the Wuling Bingo Mini EV, as it comes with state-of-the-art technology to keep you safe on the road. Equipped with advanced brake systems, stability control, and multiple airbags, this electric car prioritizes the well-being of its occupants.

The Wuling Bingo Mini EV offers a comfortable and stylish cabin designed with modern aesthetics in mind. The spacious interior provides ample legroom and headroom, accommodating both driver and passengers comfortably. Additionally, the car is equipped with intuitive controls and a user-friendly infotainment system, allowing for seamless connectivity and entertainment during your journeys.

The Wuling Bingo Mini EV Electric Car is built with sustainability in mind. Its zero-emission electric powertrain reduces harmful emissions, contributing to a cleaner environment. With its energy-efficient design and low operating costs, this electric car is not only environmentally friendly but also cost-effective in the long run.

## Product Description

Product Name	2023 New Wuling Bingo
Fuel	Pure electric
Color	White, green, pink, black
Max Speed	100km/h
Body Structure	5-door 4-seater Car

Range	200KM
Charging Time	8H
L*W*H(mm)	3950x1708x1580
Maximum power	50KW
Maximum torque	203N.m

In terms of suspension, a combination of front MacPherson independent suspension and rear multi link independent suspension is adopted. Based on our previous test drive of the MINI EV Intelligent Electric iDD, we adopted a sporty tuning style, bringing solid and agile driving performance. At the same time, the chassis is equipped with power batteries and necessary battery brackets in the middle, so the entire chassis brings a stable and compact driving feel.

In terms of interior design, it can be seen that the entire interior adopts sharp angular design elements, with a prominent center console design. Details such as the cockpit style gear lever area, three spoke steering wheel, and through air vents enhance the overall texture. At the same time, the entire center console is tilted towards the driver's side, which not only enhances convenience but also brings a good visual aesthetic.

In terms of power, it is equipped with a Blue Whale dedicated turbocharged engine, with a maximum horsepower of 170Ps and a maximum torque of 260N • m. With the assistance of an electric motor, the system's comprehensive maximum torque reaches 590N • m. It is matched with a 6-speed three clutch electric drive transmission, which takes only 6.5 seconds to break 0-100km/h.
