

Small Fully Electric SUV Vehicles Cars 4 Wheel Pure Zeekr X EV

Our Product Introduction

for more products please visit us on evcar.cn

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chetianxia
- Model Number: Zeekr X
- Minimum Order Quantity: 1
- Price: \$28,000.00/pieces 1-2 pieces
- Delivery Time: 15
- Payment Terms: T/T
- Supply Ability: 1000 Piece/Pieces per Month

Product Specification

- Product Name: Electric Car
- Color: Optional
- Max Speed: 180 Km/h
- Body Structure: 5-door 5-seat SUV
- Length * Width * Height: 4450x1836x1572mm
- Battery Type: Lithium Iron Phosphate Battery
- Energy Type: Pure Electric/100% Electric Car
- Level: Small SUV
- Port: Shenzhen
- Highlight: small fully electric suv , fully electric suv cars , electric suv vehicles 4 wheel

Product Description

New Energy Vehicles Pure Zeekr X Electric EV Car 4 Wheel SUV Cars

With its advanced engineering, the Zeekr X offers an impressive all-electric range, allowing you to travel long distances without worrying about refueling. Powered by an innovative battery system, this EV delivers exceptional acceleration and speed, providing an exhilarating driving experience like no other.

Beyond its exceptional performance, the Zeekr X boasts a stunning exterior design that exudes modernity and elegance. Every curve and line has been meticulously crafted to create a harmonious and aerodynamic body, enhancing both aesthetics and efficiency. The attention to detail is evident in every aspect, from the sleek LED headlights to the dynamic grille, giving the Zeekr X an unmistakable presence on the road.

Inside the Zeekr X, you'll find a luxurious and technologically advanced cabin designed with comfort and convenience in mind. Premium materials, ergonomically designed seats, and ample space ensure a comfortable ride for both the driver and passengers. The state-of-the-art infotainment system provides seamless connectivity, allowing you to stay connected while on the go.

Safety is a top priority with the Zeekr X, equipped with an array of advanced features and cutting-edge technology to keep you protected at all times. From advanced driver-assistance systems to intelligent collision avoidance systems, this EV prioritizes your safety on the road, giving you peace of mind on every journey.

Product Description

Headlight

Energy type	Pure electric
Pure electric range (km)	560
Maximum power (kW)	200
Maximum torque (N·m)	343
Long*width*height (mm)	4450×1836×1572
Battery capacity (kWh)	66
Wheelbase (mm)	2750
Maximum speed (km/h)	185
Official 0-100km/h acceleration (s)	5.8

In terms of suspension, a combination of front MacPherson independent suspension and rear multi link independent suspension is adopted. Based on our previous test drive of the Chang an UNI-V Intelligent Electric iDD, we adopted a sporty tuning style, bringing solid and agile driving performance. At the same time, the chassis is equipped with power batteries and necessary battery brackets in the middle, so the entire chassis brings a stable and compact driving feel.

In terms of interior design, it can be seen that the entire interior adopts sharp angular design elements, with a prominent center console design. Details such as the cockpit style gear lever area, three spoke steering wheel, and through air vents enhance the overall texture. At the same time, the

entire center console is tilted towards the driver's side, which not only enhances convenience but also brings a good visual aesthetic.

In terms of power, it is equipped with a Blue Whale 1.5T hybrid dedicated turbocharged engine, with a maximum horsepower of 170Ps and a maximum torque of $260\text{N} \cdot \text{m}$. With the assistance of an electric motor, the system's comprehensive maximum torque reaches $590\text{N} \cdot \text{m}$. It is matched with a 6-speed three clutch electric drive transmission, which takes only 6.5 seconds to break 0-100km/h.
