

600KM Used Volkswagen Electric Car Pure All Electric SUV compact

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: VW
- Model Number: ID4 Crozz
- Minimum Order Quantity: 1
- Price: \$20,000.00/pieces 1-2 pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100 Piece/Pieces per Month

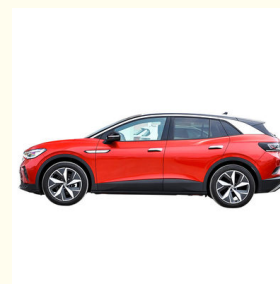

Product Specification

- Product Name: Energy Electric Vehicle
- Color: Optional
- Body Structure: 5-door 5-seater SUV
- Max Speed: 160 Km/h
- Fuel: Pure Electric
- Charging Time: 0.67
- Length * Width * Height: 4592x1852x1629
- Level: Small SUV
- Port: Shenzhen
- Highlight: used volkswagen electric car pure, all electric suv compact, 600km used volkswagen electric car

Product Description

New Energy Pure 600KM ID4 Crozz Prime Pro Electric Car For Volkswagen

The VW ID.4 is an all-electric compact SUV that represents Volkswagen's commitment to electric mobility. It features a modern and sleek design with a spacious interior and advanced technology features. The ID.4 is built on Volkswagen's modular electric drive matrix (MEB) platform, specifically designed for electric vehicles.

The ID.4 Crozz is a variant of the ID.4 that was showcased as a concept vehicle. It features a coupe-like design with a sloping roofline and sportier styling elements. However, it's worth noting that the ID.4 Crozz may have different specifications and features compared to the production version of the ID.4.

Both the VW ID.4 and the ID.4 Crozz are equipped with an electric motor and a battery pack for propulsion, offering zero-emission driving and benefits such as instant torque and quiet operation. The specific powertrain, battery capacity, and range may vary depending on the model, trim level, and regional availability.

VW ID.4 and its variants, including the ID.4 Crozz if available, I recommend visiting Volkswagen's official website or contacting a Volkswagen dealership. They can provide you with detailed specifications, features, and availability of the specific ID.4 models in your region.

Product Description

Basic parameters

supplier	SAIC Volkswagen	Wheelbase (mm)	2765
Level	compact SUV	Parking brake type	Electronic parking

Ministry of Industry and Information Technology pure electric cruise mileage (km)	425-607	vehicle warranty	3 years or 100,000 km
Battery Type	Ternary lithium battery	ABS Anti-lock Braking/Brake Assist (EBA/BA etc.)	standard
