

## Secure Second Hand Electric Vehicle 5 Seater 2022 Electric SUV EV

Our Product Introduction

for more products please visit us on [evcar.cn](http://evcar.cn)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Volkswagen
- Model Number: ID6
- Minimum Order Quantity: 1
- Price: \$21,030.00/pieces 1-4 pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100 Piece/Pieces per Month

### Product Specification

- Name: Second Hand Electric Vehicle
- Emission Standard: Euro III
- Engine Capacity: < 4L
- Year: 2022
- Month: 3
- Mileage: 25001-50000 Miles
- Make: CHETAIXIA
- Feature: Secure
- Fuel: Electric
- Engine Type: Naturally Aspirated
- Cylinders: 3
- Maximum Power(Ps): 100-150Ps
- Gear Box: Automatic
- Forward Shift Number: 4
- Maximum Torque(Nm): 100-200Nm

Exterior color	White,Orange,Gold,Blue,Purple
Interior color	City Black/Grey

In terms of suspension, a combination of front MacPherson independent suspension and rear multi link independent suspension is adopted. Based on our previous test drive of the Chang an UNI-V Intelligent Electric iDD, we adopted a sporty tuning style, bringing solid and agile driving performance. At the same time, the chassis is equipped with power batteries and necessary battery brackets in the middle, so the entire chassis brings a stable and compact driving feel.

In terms of interior design, it can be seen that the entire interior adopts sharp angular design elements, with a prominent center console design. Details such as the cockpit style gear lever area, three spoke steering wheel, and through air vents enhance the overall texture. At the same time, the entire center console is tilted towards the driver's side, which not only

enhances convenience but also brings a good visual aesthetic.

In terms of power, it is equipped with a Blue Whale 1.5T hybrid dedicated turbocharged engine, with a maximum horsepower of 170Ps and a maximum torque of  $260\text{N} \cdot \text{m}$ . With the assistance of an electric motor, the system's comprehensive maximum torque reaches  $590\text{N} \cdot \text{m}$ . It is matched with a 6-speed three-clutch electric drive transmission, which takes only 6.5 seconds to break 0-100km/h.

Brand new car with 0 KM mileage, please contact us for more details
