

powered Used Geely Car 4 Wheel Affordable Electric Cars 401KM

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chetianxia
- Model Number: Geometry E
- Minimum Order Quantity: 1
- Price: \$11,239.00/pieces 1-9 pieces
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 1000 Piece/Pieces per Month

Product Specification

- Product Name: 4 Wheel Electric Car
- Body Structure: 5-door 5-seater SUV
- Color: Optional
- Length * Width * Height: 4006x1765x1550
- Fuel: Pure Electric
- Max Speed: 102Km/h
- Charging Time: Fast Charge 0.5h
- WHEELBASE: 2485mm
- Price: Affordable
- Highlight: powered used geely car , affordable electric cars 401km , used geely car 4 wheel

Product Description

Geely Geometry E 401KM EV Car Range New Energy Electric Vehicles

The Geely Geometry E is an all-electric vehicle (EV) produced by Geely Auto, a Chinese automaker. The Geometry E is part of Geely's electric vehicle lineup and represents their commitment to developing and producing electric cars.

The exact specifications and features of the Geely Geometry E may vary depending on the model and year of production. However, typically, electric vehicles like the Geometry E offer features such as regenerative braking, fast-charging capability, and advanced technologies for infotainment and driver assistance systems.

The driving range of the Geometry E can vary depending on various factors such as driving conditions, weather, and battery capacity. Geely has been known to offer different battery options for their electric vehicles, allowing customers to choose the range that suits their needs.

As an EV, the Geometry E is powered solely by electricity, utilizing an electric motor and a large battery pack for propulsion. This means it does not have an internal combustion engine and produces zero tailpipe emissions. EVs offer benefits such as instant torque, quiet operation, and reduced environmental impact compared to traditional gasoline-powered cars.

Specification

Brand name	Geely Geometry E
Size	4006x1765x1550 mm
Seats	5 Doors 5 seats
Maximum torque	384 nm
Maximum power	60(82Ps)
Wheel base	2485 MM
weight	2840 kg
power	16.5kWh
Maximum speed	102 km/h
Driving Range	401 km

Product details

Geely Geometry E get pure electric 82Ps horsepower motor drive, engine backup support, maximum speed of 102km/h, zero hundred acceleration time of 6.9s, electric energy equivalent fuel consumption of 1.3L/100km, good economic performance, which has a better effect on restraining the use cost
