12 o'clock touch screen navigation system - Bluetooth phone

The schematic diagram shows the battery capacity of 84.80kWh

On the interior of the ID.4 CROZZ, the obvious traditional style may still be felt, but Volkswagen has also made every effort to innovate for the model, such as replacing a large number of traditional buttons with touch based interaction, equipping the car with a "rotary" gear shift structure, concentrating a large number of operating systems on the 12 inch high-definition central control screen, and equipped with AR HUD augmented reality head up display system.
