

New Energy Used BYD Cars Electric Modern Hybrid Cars SUV BYD Song Pro

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: BYD
- Model Number: BYD Song Pro
- Minimum Order Quantity: 1
- Price: \$14,280.00/pieces 1-2 pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100Piece/Pieces per Month

Product Specification

- Product Name: Electric Car
- Color: Optional
- Body Structure: 5-door 5-seater SUV
- Max Speed: 170 Km/h
- Energy Type: Plug-in Hybrid Electric Car
- Length * Width * Height: 4738x1860x1710
- Charging Time: 0.7Hour
- Level: Small SUV
- Port: Shenzhen
- Highlight: modern hybrid cars suv, used byd cars electric, new energy used byd cars

Product Description

China New Energy Vehicles Hybrid BYD Song Pro Electric Car EV SUV Cars

Electric Range: The Song Pro is expected to offer a certain electric range, indicating how far it can travel on a full charge. The specific range can vary depending on factors such as battery capacity, driving conditions, and driving style.

Battery and Charging: The car is equipped with a battery pack that stores the electrical energy needed to power the electric motor. Charging options typically include both standard AC charging and faster DC fast charging, depending on the charging infrastructure available.

Performance: Electric motors in the Song Pro deliver instant torque, resulting in quick acceleration and responsive performance. The specific performance capabilities may vary depending on the powertrain configuration and model specifications.

Interior and Technology: The Song Pro is likely to offer various interior features and technologies, such as touchscreen infotainment systems, connectivity options, advanced driver assistance systems, and other amenities commonly found in modern electric vehicles.

Safety: The car is expected to come equipped with standard safety features, including airbags, antilock braking systems, stability control, and other advanced safety technologies.
