

Blue BYD Used Cars Innovative SUV Hybrid System Car Song DM-I Pro

Our Product Introduction

for more products please visit us on evcar.cn

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: BYD
- Model Number: Byd Song DM-i Pro
- Minimum Order Quantity: 1
- Price: \$1,200.00 - \$14,280.00/pieces
- Packaging Details: 1
- Delivery Time: 30
- Payment Terms: T/T
- Supply Ability: 100Piece/Pieces per Month

Product Specification

- Product Name: Electric Car
- Type: Innovative
- Body Structure: 5-door 5-seater SUV
- Max Speed: 170 Km/h
- Energy Type: Plug-in Hybrid Electric Car
- Length * Width * Height: 4738x1860x1710
- Charging Time: 0.7Hour
- Level: Small SUV
- Port: Shenzhen
- Highlight: blue byd used cars , suv hybrid system car , byd used cars innovative

Product Description

New Energy Vehicles Hybrid Byd Song DM-i Pro Electric Car SUV Cars

The Song DM-i Pro features a hybrid powertrain consisting of an internal combustion engine and an electric motor. The specific configuration and power output may vary depending on the model year and regional specifications.

The car is capable of running on electric power alone for a certain distance. The electric range can vary depending on the battery capacity and other factors.

The Song DM-i Pro can be charged through an external power source, allowing the battery pack to be recharged for electric driving. Charging options can include both standard AC charging and faster DC fast charging,

The hybrid system in the Song DM-i Pro is designed to optimize fuel efficiency by utilizing electric power during low-demand situations and switching to the internal

The Song DM-i Pro is likely to offer various interior features and technologies, such as touchscreen infotainment systems, connectivity options, advanced driver assistance systems, and other amenities commonly found in modern vehicles.
