In terms of power system, the BYD Qin PLUS EV2023 Champions Edition is equipped with an advanced third-generation i-MMD dual motor hybrid system, which adopts a combination of super strong motor drive and engine, achieving a balance between high efficiency and performance. The Changan UNI-V is a fuel powered vehicle with two power options: 1.5T and 2.0T.

The 2023 Champion Edition of the Qin PLUS EV features a dual color combination of black and brown, and the center console features an 8.8-inch LCD screen. The overall interior style is luxurious and looks very textured.

The BYD Qin PLUS EV2023 Champions Edition is equipped with the DiLink 4.0 intelligent networking system, which supports multiple functions such as multimedia, navigation, voice control, and provides a more convenient internet experience. The Chang'an UNI-V is equipped with functions such as reverse radar/imaging, lane departure warning, and active braking/pre collision system.

The exterior style of the BYD Qin PLUS EV2023 Champions Edition is extremely aggressive, adopting the EV Dragon Face family dragon face design. The front face adopts a closed design, and the light groups on both sides are sharp and full of tension, adding a black jade blue exterior color scheme, making the overall feeling more advanced. The Chang'an UNI-V adopts an X-shaped design language, with the front face mainly featuring an X-shaped shape, creating a youthful and fashionable temperament.
