In terms of power, the BYD Han EV Champions Edition provides consumers with four range versions

The BYD Han EV 2023 Champion Edition 715KM flagship model features a sharp and narrow inverted trapezoidal air intake grille on the front of the car, paired with LED daytime running lights on both sides that are equally sharp and narrow. The smooth and dynamic curve shape on the hood adds a sporty vibe, and the combination of black surround and fog lights at the bottom effectively enhances the height of the front of the car, giving people a stunning feeling.
