Applications:

BYD Song L Fully Electric SUV

The BYD Song L is a fully electric SUV designed and manufactured by BYD, a leading electric vehicle company based in Shenzhen, China. The Song L is the perfect combination of modern technology and eco-friendliness, making it the ideal choice for those looking for a sustainable and efficient means of transportation.

Application Scenarios

The BYD Song L is suitable for a variety of applications and scenarios, including:

City driving: With its compact size and zero emissions, the Song L is perfect for navigating through busy city streets.

Commuting: The Song L's long range and fast charging time make it a great option for daily commuters.

Family trips: With its spacious interior and advanced safety features, the Song L is a comfortable and safe choice for family road trips.

Business use: The Song L's sleek design and advanced technology make it a great choice for corporate fleets.

Product Attributes

The BYD Song L has the following product attributes:

Brand Name: BYD

Model Number: BYD Song L

Place of Origin: Shenzhen, China

Minimum Order Quantity: 1 unit

Price: Starting from 23,678 USD to 26,540 USD

Packaging Details: Normal packaging
