## Product Description

### Product Description:

Fully Electric SUV - VOYAH FREE

#### Product Overview

The BYD Song L is a fully electric SUV that offers a range of 662km on a single charge. With its spacious and stylish design, this electric car is perfect for families and individuals who are looking for an environmentally friendly vehicle without compromising on performance.

#### Fast Charging Time

The BYD Song L has a fast charging time of only 0.8 hours, allowing you to quickly recharge your vehicle and get back on the road. This makes it convenient for daily use and long distance travels.

#### Transmission

The BYD Song L comes with an automatic transmission, providing a smooth and effortless driving experience. This also makes it easy for anyone to drive, regardless of their driving experience.

#### Engine

The BYD Song L is equipped with a 2.0T 310HP L4 engine, ensuring powerful and efficient performance. This electric car can easily handle various road conditions, making it suitable for both city and off-road driving.

#### Body Type

The BYD Song L is a SUV, offering a spacious and comfortable interior for both driver and passengers. Its sleek and modern design makes it stand out on the road, while also providing ample space for luggage and other belongings.

#### Battery Type

The BYD Song L is powered by a lithium iron phosphate battery, known for its high energy density, longer life span, and improved safety. This allows for a longer driving range and a more reliable and sustainable electric car.

#### Key Features:

662km range

Fast charging time of 0.8 hours

Automatic transmission

2.0T 310HP L4 engine

SUV body type

Lithium iron phosphate battery

Experience the future of driving with the BYD Song L, the ultimate fully electric SUV that combines performance, efficiency, and sustainability. Say goodbye to gas emissions and hello to a cleaner and greener environment with this electric car by BYD.
