## Products Description

### Features:

### Introducing the 2024 BYD Sea Lion 07 EV Luxury SUV

Looking for a mid-size SUV that's pure electric, luxurious, and environmentally friendly? Look no further than the 2024 BYD Sea Lion 07 EV Luxury Mid Size 5 Seater SUV.

This shiny new SUV is a true marvel of engineering. With a 610km long range thanks to its 90KW fast new energy vehicle capabilities, the Sea Lion 07 EV is perfect for families and adventurers alike who want to explore without worrying about running out of battery power. Plus, with its sleek and modern design, luxurious features, and commitment to zero-emission driving, you'll be the envy of the road in the BYD Sea Lion 07 EV.

**Technical Parameters:**

Introducing the new 2024 BYD Sea Lion 07 EV, a pure electric car that belongs to the luxury midsize 5-seater SUV category. It has just been released and is now available in the market boasting a 610km long range, making it a practical choice for long distance driving. In addition, it is also a fast-charging new energy vehicle with 90kW power output, giving you more time on the road and keeping you away from the charging stations.

The design and craftsmanship of 2024 BYD Sea Lion 07 EV adds more sophistication to its look. It has a sleek exterior that is guaranteed to draw people's attention. The interior of the vehicle is also top-notch, using high-quality materials for maximum comfort and luxury while driving.

Furthermore, 2024 BYD Sea Lion 07 EV is environment-friendly, producing zero emissions while driving. This feature makes it an excellent choice for individuals who prioritize sustainability. It has a low noise level, making for a peaceful and serene environment inside the car.

The 2024 BYD Sea Lion 07 EV is a game-changer in the electric car market. With its impressive range, speed charging capability, and luxury design, it is undoubtedly a valuable addition to your garage. Experience the convenience of a pure electric car like never before with the new 2024 BYD Sea Lion 07 EV.

### **Applications:**

Introducing the latest addition to the BYD family - The Sea Lion 07 EV Luxury Mid-Size 5 Seater SUV. This car is a pure-electric vehicle, making it environmentally friendly and efficient. With a 610km long-range capability, you won't have to worry about running out of charge on long journeys.

The Sea Lion 07 EV is also equipped with a 90kW fast-charging system, allowing you to charge up quickly and efficiently. This ensures that you can spend more time on the road and less time charging. This new energy vehicle is perfect for those who want to reduce their carbon footprint and be part of a sustainable future.

The luxurious design of the Sea Lion 07 EV is perfect for those who seek comfort and style. With a spacious interior and a sleek exterior, this mid-size SUV is perfect for families. This car is also equipped with advanced safety features such as a collision avoidance system and lane departure warning, ensuring that you and your passengers are safe on the road.

Be one of the first to experience the convenience and style of the Sea Lion 07 EV Luxury Mid-Size 5 Seater SUV. Get ready to go green and make a difference in the world.

### **Packing and Shipping:**

Product Packaging:

Electric EV Cars are carefully packaged in a sturdy cardboard box.

The car is securely fastened to the base of the box to prevent any damage during transportation.

The box is labeled with the product name, model number, and any other important information.

Shipping:

Electric EV Cars are shipped via a reliable courier service.  
Shipping rates and delivery times vary depending on the destination.  
Customers will be provided with a tracking number once the product has been shipped.  
In case of any damage during shipping, customers should contact us immediately so we can assist with a replacement or refund.
